Dear Mr. Childs:

Re: Proof of Liability Insurance, Genwal Coal Company, Crandall Canyon Mine,
ACT/015/032, Folder #2, Emery County, Utah

This letter is to follow up on the June 17, 1991 letter (copy enclosed) sent to all operators regarding Certificates of Liability Insurance. Although we have received a copy of your certificate of insurance there still appears to be a couple of deficiencies which need to be addressed.

Your certificate (copy enclosed) is not clear as to what operation is insured. The mine name is listed as Crandall Canyon Mine but then lists the permit number for the Wellington Prep Plant. There should be a separate certificate for each operation listing the mine name and the state permit number.

Please correct the above deficiencies and submit an amended certificate within 30 days. If you have any questions, please feel free to call me.

Sincerely,

Daron R. Haddock
Permit Supervisor

COMMERCIAL GENERAL LIABILITY
COVERAGE FORM

We compile claim and "occurrence" information for our own business purposes and exercise reasonable care in doing so. In providing this information to the first Named Insured, we make no representations or warranties to insureds, insurers, or others to whom this information is furnished by or on behalf of any insured. Cancellation or non-renewal will be effective even if we inadvertently provide inaccurate information.

SECTION V - EXTENDED REPORTING PERIODS

1. We will provide one or more Extended Reporting Periods, as described below, if:
 - a. This Coverage Part is cancelled or not renewed; or
 - b. We renew or replace this Coverage Part with insurance that
 - (1) Has a Retroactive Date later than the date shown in the Declarations of this Coverage Part; or
 - (2) Does not apply to "bodily injury," "property damage," "personal injury" or "advertising injury" on a claims-made basis.
2. Extended Reporting Periods do not extend the policy period or change the scope of coverage provided. They apply only to claims for:
 - a. "Bodily injury" or "property damage" that occurs before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations; or
 - b. "Personal injury" or "advertising injury" caused by an offense committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations.

Once in effect, Extended Reporting Periods may not be cancelled.

3. A Basic Extended Reporting Period is automatically provided without additional charge. This period starts with the end of the policy period and lasts for:
 - a. Five years for claims because of "bodily injury" and "property damage" arising out of an "occurrence" reported to us, not later than 60 days after the end of the policy period, in accordance with paragraph 2.a. of COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV);
 - b. Five years because of claims for "personal injury" and "advertising injury" arising out of an offense reported to us, not later than 60 days after the end of the policy period, in accordance with paragraph 2.a. of COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV); or
 - c. Sixty days for all other claims.

The Basic Extended Reporting Period does not apply to claims that are covered under any subsequent insurance you purchase, or that would be covered but for exhaustion of the amount of insurance applicable to such claims.

4. A Supplemental Extended Reporting Period of unlimited duration is available, but only by an endorsement and for an extra charge. This supplemental period starts when the Basic Extended Reporting Period, set forth in paragraph 3. above, ends.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Supplemental Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The exposures insured;
- b. Previous types and amounts of insurance;
- c. Limits of Insurance available under this Coverage Part for future payment of damages; and
- d. Other related factors.

COMMERCIAL GENERAL LIABILITY
COVERAGE FORM

The additional premium will not exceed 200% of the annual premium for this Coverage Part.

This endorsement shall set forth the terms, not inconsistent with this Section, applicable to the Supplemental Extended Reporting Period, including a provision to the effect that the insurance afforded for claims first received during such period is excess over any other valid and collectible insurance available under policies in force after the Supplemental Extended Reporting Period starts.

5. The Basic Extended Reporting Period does not reinstate or increase the Limits of Insurance.
6. If the Supplemental Extended Reporting Period is in effect, we will provide the separate aggregate limits of insurance described below, but only for claims first received and recorded during the Supplemental Extended Reporting Period.

The separate aggregate limits of insurance will be equal to the dollar amount shown in the Declarations in effect at the end of the policy period for such of the following limits of insurance for which a dollar amount has been entered:

General Aggregate Limit
Products-Completed Operations Aggregate Limit

Paragraphs 2. and 3. of LIMITS OF INSURANCE (Section III) will be amended accordingly. The Personal and Advertising Injury Limit, the Each Occurrence Limit and the Fire Damage Limit shown in the Declarations will then continue to apply, as set forth in paragraphs 4., 5. and 6. of that Section.
